Re: *Curtis James Jackson, III p/k/a 50 Cent, et al. v. Lee Q. Odenat*,
Case No. 09 CT / 5583 (JFK) (GWG)

Dear Judge Keenan:

I represent plaintiffs in the captioned matter and write to follow up on our letter of October 10, 2014 requesting an adjournment in the captioned matter. We have learned that, subsequent to our letter, the court in the NFL case granted summary judgment and therefore the trial that had caused a conflict for our expert no longer causes a conflict.

Prior to requesting the adjournment, all parties' counsel and witnesses' schedules were cleared for the December dates listed in our prior letter. We have advised counsel for Odenat of this development and he has indicated that the November date would now present a hardship inasmuch as he has foregone trial preparation days in the belief the trial was being postponed based on the parties' agreement, and has informed his client of same. Moreover, Mondesir's counsel has indicated problems with the November 3rd date. In light of the above, and since it was our expert's initial conflict which created the issues, we do not oppose an adjournment to accommodate issues with opposing counsel and parties.

We apologize to the Court for any trouble or confusion this has caused.

Upon consideration of the above application and Plaintiffs' original request for an adjournment dated October 10, 2014, the application is granted. The trial is adjourned until December 8, 2014. The pre-trial materials are due no later than *December 2*, 2014.
SO ORDERED.

Dated: October 15, 2014
New York, N.Y.

John F. Keenan
